cut 2 for outer hood

cut 2 for hood lining

EDGE A

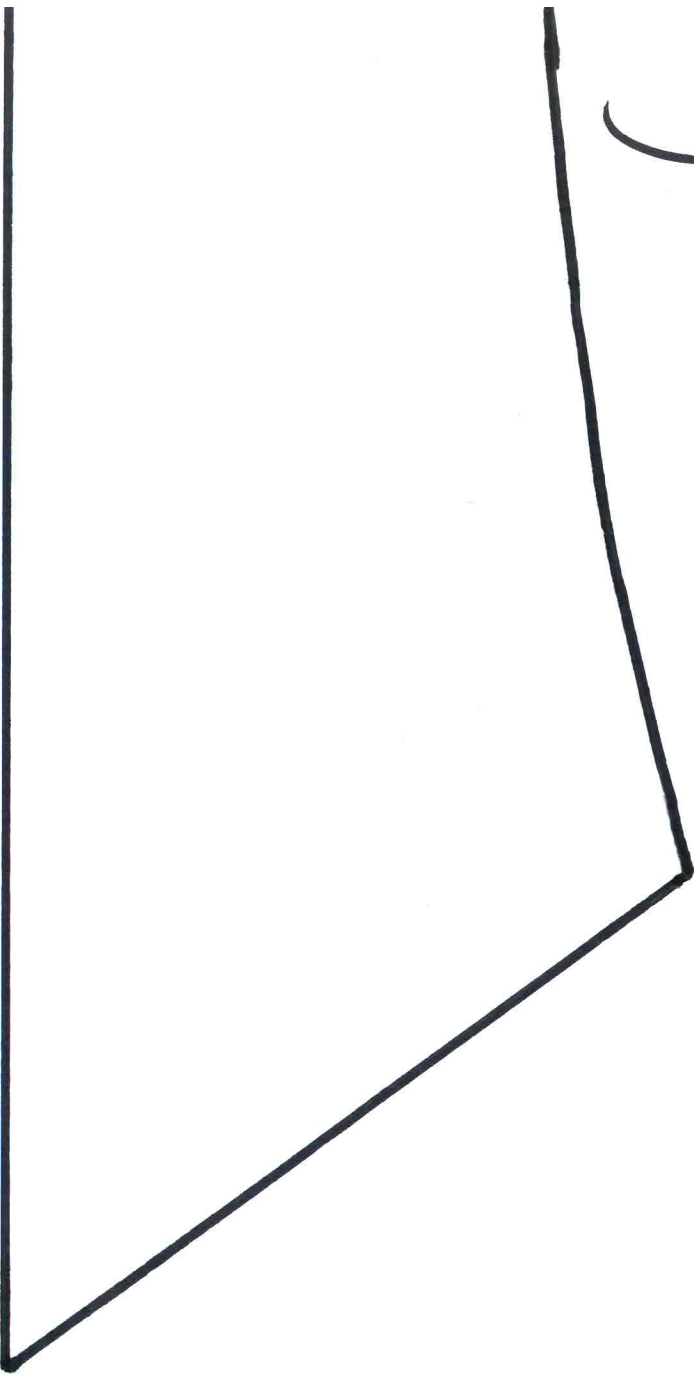

A hand-drawn diagram showing a curved line representing an edge. A horizontal line is on the left. A curved line starts from the horizontal line and goes up and to the right. A bracket is drawn above the curved line, labeled 'EDGE A'. Another bracket is drawn below the curved line, labeled 'EDGE B'. The text 'outer edge - pin & sew this edge to outer edge of hood side piece' is written vertically along the curved line.
